What's been happening...

...The past couple of months have been busy here at Spring Beauty Room, not only looking after all of our lovely clients, but working hard behind the scenes to bring new and exciting things to our shelves and treatment menu.

February saw the return of the Professional Beauty Show at Excel in London. Sarah and Teresa headed down for the day, finding out and picking up the latest trends happening in the industry and bringing them back to Spring Beauty Room. Watch this space...

Ladies That Lunch

Thank you to every one who attended our Ladies That Lunch day in February, launching the latest ELEMIS Superfood Range. It was a great success and we really hope that you enjoyed it. These events are an opportunity for you to ask all your skin care questions in a relaxed and friendly environment, with professionals on hand to ensure you are getting the best from your products. We would love to hold these events on a more regular basis, allowing more people the opportunity to attend; therefore, we welcome any suggestions you may have for future events and the topics you would like them to cover. As always, we would love to hear your feedback about our Ladies That Lunch event. Please email any comments you may have to pmlbeauty@btconnect.com.

"Outstanding Facial as always. Can't visit Lincolnshire without calling in! Perfect personalised service. Thank you".

What's New...

We are very excited to introduce three new ELEMIS treatments to our service menu; Best Foot Forward, Hot Mineral Body Boost and The Garden Of England Rose Restore. These luxurious body treatments allow your skin to be left exquisitely moisturised and your mind and body energised and rebalanced. Keep an eye out or ask your therapist for more information to take advantage of the amazing introductory offers.

Online booking is now available via our Website and Facebook page.

Keep an eye out for our NEW mobile app.

LAVA RESCUE

Stacey is set to complete her LAVA RESCUE training on 23rd April. She is very excited to be able to offer this specialised deep massage treatment, aimed at relieving tension and referred pain.

Why not upgrade your Swedish Back Massage with Stacey to a LAVA RESCUE for just £10. Available throughout May.

Our Success Story...

We are very excited, but also very honoured, to have been selected as Finalists in The British Hair and Beauty Awards 'Best New Business' Category, 2018. The initial stage in the competition is judged purely on client feedback and reviews of the salon and your treatments. So for this, we can not thank you enough; we definitely would not be where we are today without you. We are just awaiting instruction of the criteria for the final round, we will of course keep you posted on our progress.

Skincare Top Tip:

Mix ELEMIS Skin Buff & Papaya Enzyme Peel together for a super smooth complexion that is left glowing & radiant.
