What's been happening...

...The past couple of months have been busy here at Spring Beauty Room, not only looking after all of our lovely clients, but working hard behind the scenes to bring new and exciting things to our shelves and treatment menu.

Throughout this quarter, we have been focusing our attention on the journey you, our lovely clients, take when you visit us. We have been looking at new ways to improve the overall look and feel of the salon; starting with our new look reception area...we hope you like it!

Welcome Em

A very warm welcome to Emily True (Em) our new full time Therapist. Em joined us in May, bringing with her six years of knowledge and experience in the Beauty Industry; having worked in Beauty Salons and highly rated Spas, such as Eden Hall and Forest Pines. Em is qualified in a wide range of Elemis treatments and has recently completed her Jessica Manicure and Geleration training. Emily is a very passionate therapist and loves to give every client the care they deserve.

"A treatment at Spring Beauty Room is a wonderful way to lift your spirits as well as a physical boost too".

What's New...

We are very excited to introduce Individual Lash Extensions to our treatment menu, giving you the appearance of fuller, thicker looking lashes with added volume, for up to 8 weeks! If you love the Express Lashes then you are going to love these too. Extend Lash extensions are soft but strong; each is beautifully curled and tapered to imitate natural lashes. Contact the salon today to find out more or to book your appointment

Congratulations Jasmin...

Jasmin has spent the past year working hard to achieve her NVQ Level 2 Beauty Therapy, and she has done it!! Jasmin completed her qualification in June and is very excited to start the transition across to the therapy team. Jasmin will continue with her Make Up and Prom packages, but will slowly add to her services over the next couple of months. Jasmin is set to complete her Jessica Manicure and Geleration training in July. Well done Jasmin!!

Stacey has now completed her LAVA Rescue training.

Great for the relief of muscle aches.

Our Success Story...

We are very excited, but also very honoured, to have been selected as Winners in The British Hair and Beauty Awards 'Best New Business' Category, 2018. The salon received a Silver Award in what was said to be a very tough year for the judges.

Sarah, Teresa and the team are very humbled to have received this award and would just like to send out a heartfelt Thank you to each and every one of our clients for your continued support; we definitely would not be where we are today without you.

REIKI

Teresa and Sarah have spent the past year developing their knowledge and respect for this amazing treatment and are both very please to have completed their Reiki 2 qualification. Reiki means 'universal life energy' and is used to promote natural healing. The treatment can help the body emotionally or spiritually, allowing harmony to be restored. Appointments are now available to book in salon or online.
