

IT'S OUR 1<sup>ST</sup> BIRTHDAY!!

WHATS NEW AT SPRING!

AUTUMN/ WINTER EDITION

*Welcome* to our Autumn/ Winter edition newsletter. We have all been working extremely hard behind the scenes to ensure we stay on top of an ever growing industry, bringing you the latest, up to date, information and treatment news. We hope you are all loving the developments within the salon as much as we are!! Thank you to you all for your continued support and we look forward to seeing you soon on your next visit.

The last couple of months have been as busy as ever, with different members of the team updating their training. Brittany, Stacey and Lucy have recently travelled down to the Elemis Training Academy in London, each looking to further develop their skill set and treatment offer in the salon. Brittany attended a four day training course allowing her to gain the knowledge and practical confidence to now carry out the full range of Elemis BIOTEC Facials. The BIOTEC treatment delivers seven highly-effective, super charged facial treatments using a unique combination of actives, touch and technology to re-boot the skin. Stacey and Lucy have also been lucky enough to further develop their treatment offer, completing their Elemis Deep Tissue Massage training. Both Stacey and Lucy attended the one day course, allowing them to further develop their massage skills and techniques. This vigorous massage style is perfect for alleviating high stress levels whilst soothing and reducing muscular tension. Well done to all the girls on their hard work and amazing achievements!!

What's new with ELEMIS?

It's that time of year again...

everyone at Spring gets very excited when we get to have a sneaky peak at the Christmas box sets, and this year we have not been disappointed. With such a wide range of fantastic products at amazing prices we know you will be as excited as we are.

In order to make the festive season as stress free as possible, we are offering you the opportunity to preview and pre-order this year's gift collection on Thursday 5<sup>th</sup> October, in our birthday event day; Transformation Thursday. Our Elemis Representative will be with us on the day, on hand to advise you with any purchases you may wish to make. A 20% deposit will be required at the time of pre ordering your gifts. If you are unable to attend our birthday event, don't worry, the full Christmas collection will be available to purchase in salon from Mid - October. We have been very lucky this year and have been able to get our hands on the full collection, including some exclusive, new products, only available as a seasonal gift set. Pop into the salon as soon as possible to see these amazing gifts and to avoid disappointment.

October is an exciting month for all of us here at Spring Beauty Room, celebrating our first year of new management and seven years in business!! Teresa and Sarah are really pleased with all the developments made throughout the salon in the past 12 months and are both really excited about their plans for the near future. Both Sarah and Teresa are very thankful to all of our clients for the support and encouragement throughout the past year and we really believe, we couldn't have done without you!!

As a way of celebration and a thank you to you all, we have arranged an event week, offering you a range of different demonstrations, express treatments, previews and much much more. Throughout the week you will have the opportunity to experience new treatments and take home new products to try in a goody bag.
