## What's been happening...

...The past couple of months have been busy here at Spring Beauty Room, not only looking after all of our lovely clients, but working hard behind the scenes to bring new and exciting things to our shelves and treatment menu.

Throughout this quarter, we have been focusing our attention on training, and ensuring all of our team are updating and fine tuning their skills and knowledge to ensure we bring you the latest that our industry can provide.

## Welcome Isobel

A very warm welcome to Isobel Kirk our new full time Therapist. Isobel joined us in September, bringing with her four years of knowledge and experience in the Beauty Industry; having previously worked within a Beauty Salon in Brigg. Isobel has already been on her Jessica training and is set to start her Elemis Facial training in October. Isobel prides herself on getting to know her clients; providing them with the most personalised treatments, tailored to their individual needs.

*"Attention to detail was 100%, lovely relaxing, super friendly atmosphere".*

## What's New...

We are very excited to introduce Individual Lash Extensions to our treatment menu, giving you the appearance of fuller, thicker looking lashes with added volume, for up to 8 weeks! If you love the Express Lashes then you are going to love these too. Extend Lash extensions are soft but strong; each is beautifully curled and tapered to imitate natural lashes.

## Training Success

Teresa headed to Leeds in July and completed her HD training. We now have three Brow Specialists, making it easier for you to book your appointments.

*Great brows don't happen by chance, they happen by appointment.*

Sarah attended a weeks training in Birmingham in September, at the ELEMIS Training Academy; where she gained her In-House Trainer Certificate. Not only will this allow Sarah to train all the therapists in everything ELEMIS, but it also means we will have more availability for all your favourite face and body treatments.

**Our Christmas appointment diary is now open!!**

**Please contact reception or book online.**

## Christmas has arrived!!

It is that time of the year again when the ELEMIS Holiday Collections arrive and the excitement levels in the salon double. This year, ELEMIS have excelled themselves, with even more gorgeous collections to choose from, including product newness and exclusivity. These amazing gifts will be on our shelves from Monday 8th October. If you can't wait until then, as in previous years, we will be holding our Christmas event on Thursday 4th October, 5-7pm, where you will have the opportunity to preview and pre order your collections. Please contact reception to secure your place, booking fees apply.

**Just a little reminder of our price increase from the 1st October 2018.**

**Thank you for your understanding.**

## Skincare Top Tip:

Dry body brushing for 30 seconds every day will eliminate 1lb of toxins from the skin. Always brush towards the heart.
