What's been happening...

...The past couple of months have been busy here at Spring Beauty Room, not only looking after all of our lovely clients, but working hard behind the scenes to bring new and exciting things to our shelves and treatment menu.

Throughout this quarter, we have been focusing our attention on training, and ensuring all of our team are updating and fine tuning their skills and knowledge to ensure we bring you the latest that our industry can provide.

Welcome Elaina

A very warm welcome to Elaina Hurren, our new part time Therapist. Elaina joined us in September, bringing with her both passion and drive for the Beauty Industry; currently completing her NVQ 3

Diploma in Beauty Therapy at The Grimsby Institute. Elaina will be completing her Jessica training in the coming weeks, in preparation for Christmas and those all important party nails. Elaina prides herself on providing her clients with the most personalised, individually tailored treatments.

“Love the company, the coffee and the sparkly results every time!”.

Thank you for your understanding.

Skincare Top Tip:

Layering your skin care provides the extra hydration and protection needed for the harsh winter months. Apply your Oil first, then your Serum and finally your moisturizer with SPF 30.
