

BABTAC and CIBTAC AWARDS 2017

Following our success in the application process of the BABTAC awards, both Sarah J and Brittany were invited to the headquarters in Gloucester to carry out a treatment under the watchful eye of a CIBTAC examiner. Their treatments were marked and graded against all the other successful candidates and both were named and placed as finalists in their category. On June 18th Teresa, Sarah and Brittany attended the awards ceremony at The Banking Hall in London. It was an amazing night and we are all very proud of our success.

Brittany has been named as top four in her category of Brow Specialist, receiving congratulations and acknowledgements from CEO Karen Betts of High Definition Beauty. This achievement has been a real boost for Brittany, not only highlighting her passion for the industry, but also her hard work and commitment for both the salon and her loyal clients. Brittany has a real talent, transforming brows to create the perfect shape, tailored to each individual client. This amazing achievement has furthered enhanced Brittany's desire to progress her status from 'Pro Stylist' to 'Master Stylist'...watch this space...Well done Brittany, we are super proud of you!

Sarah was successful in maintaining her title as 'Holistic Therapist of the Year' for a second year running, receiving her award from volunteer and representative of the 'Look Good Feel Better' charity. Sarah is completely overwhelmed by this amazing achievement, feeling honored to have her hard work and dedication recognized, by not only her lovely clients, but by leaders within the Industry. Sarah has already started to further develop her skills through the acquisition of Reiki 1, with her aspiration to further develop within this area, to allow the achievement of the Reiki Master accreditation.
